REQUEST FOR REFUND

On or around November 20, 2002, a fee in the amount of \$110 was charged to Fish & Richardson's Deposit Account No. 06-1050. It is believed that this fee was charged for a one-month extension of time, however, no extension was due.

On November 13, 2002, Applicant filed a Response to Restriction Requirement. No extension of time was filed or required. As evidence, Applicant includes a copy of the PTO-90C indicating the office action mailing date as September 26, 2002, the PTO-326 showing applicant was given 3 months to respond, and a copy of the postcard receipt showing the response was filed on November 13, 2002 (less than two months from the office action mailing date).

Accordingly, the charge to Deposit Account No. 06-1050 was improper as the Response to Office Action was filed in a timely manner. Applicant respectfully requests that the overcharge amount be refunded to Fish & Richardson's Deposit Account No. 06-1050 as a credit.

Respectfully submitted,

Date: DECEMBER 18, 2002
